New York, July 12.—Further upward tendencies were despitated by apecual stocks at louist's opening, indicating a reseastion temporarily, at least of the recent fixed of equidation. Industrial Alcohol soon guited four poting of Weshresday's heavy less and the shipping group was higher by one to almost two points.

The war group, as represented by Carelbie Steel and American Locomotive, was one tertily better and United States Steel was fractionally nighter, with Reading, Union Facific and Chesapeake & Chie Willys Overland proved the enty notable acception, lesing 24 points, despite the increased and extra dividends amounted yesterday. Initial gains were swept aside before the end of the first hour when aggressive self-ing of specialities was encountered. Maxwell, Studebaker and Chandler motters followed the lend of Willys-Uswelland at declines of four to seven points. Alcoholic early gains proved to be of brief duration, the stock seon falling to \$145, an overalght loss of \$4 point and the year's low quotation.
